

## Editor's Notes

As you all may remember, Prime Source Forum (PSF) has been held every year since it was inaugurated in 2006. A couple of speakers we have not seen for a long time at this event will be participating in the next edition at the end of March 2013.

I am pleased to advise that senior executives from AEPC, AFTEX, Alvanon, and API have confirmed to speak in PSF2013. In mid of October, I will meet up representatives of the Sustainable Fashion Business Consortium and later, I will release the names of more confirmed speakers for the event in March 2013.

Recently, I met Mr. Ade Sudradjat, Chairman of Indonesia Textile Association (API) and ASEAN Federation of Textile Industries (AFTEX) in Nanjing and he commented, "There is no any better way than a platform like PSF Focus on ASEAN to promote ASEAN, its economy and sourcing activities of the fashion industry to the world."

Just a reminder:

The global event Prime Source Forum will take place as usual in Hong Kong from 26<sup>th</sup>-27<sup>th</sup> March in 2013! We warmly welcome you to join the delegates from all over the fashion world at this two-day programme, to explore in-depth issues that are concerning your industry.
