

Step by Step instruction on editing banner text with free online Photo editor

(1) Open your browser (suggested to use Internet Explorer) and navigate to <https://www.freeonlinephotoeditor.com/>

(2) Click on "Open URL".

(3) Paste the following link, then press OK:

https://ubmasiafiles.com/files/marintec/MTC19/Website/MTC19_650x180pixel-banner.jpg

Enter URL to image

https://ubmasiafiles.com/files/marintec/MTC19/Website/MTC19_650x180pixel-banner.jp

Cancel

OK

(4) Press "T" to add the type and adjust the right size and position:

(5) Saving the modified banner

Click on “File” in the top left corner and select “Save”.

In the “Save image” panel you may add a new name to the file.

Select JPEG as the format.
